Corporations Act 2001
Public company limited by Shares
Constitution of
Tankstream Hotels Operations Limited
ACN 117 204 225

1 Nature of Company

1.1 The Company is a public company limited by shares.

2 Issue of Shares

Power to issue Shares

2.1 The Shares in the Company may be issued only by the Board. The Board may issue or otherwise dispose of Shares to those persons, including Members, Directors or employees of the Company, determined by the Board.

2.2 While Stapling applies, no Shares may be issued unless there is a contemporaneous and corresponding issue of the same number of Units on the basis that the Shares (which must be Ordinary Shares) are to be Stapled to the Units.

2.3 Share may be issued, subject to the terms of the Trust Constitution so long as Stapling applies, at any price determined by the Board.

Special rights

2.4 Subject to the provisions concerning Stapling, Shares may be issued with those preferred, deferred or other special rights or with those restrictions, whether with regard to dividends, voting, return of capital or otherwise as the Board determines.

Partly Paid Shares

2.5 While Stapling applies:

2.5.1 Partly paid Shares may not be issued unless there is a contemporaneous and corresponding issue of the same number of partly paid Units on the basis that the partly paid Shares (which must be Ordinary Shares) are to be Stapled to the partly paid Units.

2.5.2 The amount paid on a partly paid Share must be proportional to the contribution paid in respect of the partly paid Unit so that the amount paid up in respect of the issue price of the partly paid Share and the partly paid Units are at all times proportional to the total amount due in respect of each.

- 2.5.3 Any issue of partly paid Shares must be on the basis that a call will not be regarded as having been validly paid unless any amount payable at the same time in relation to the partly paid Units Stapled to those Shares is also paid.

Issue price of Shares

- 2.6 Fully or partly paid Shares in the Company may be issued at any price so long as the price is consistent with the provisions of the Trust Constitution (whilst Stapling applies) and with the Corporations Act 2001.

Effect of allotment on class rights

- 2.7 Subject to the provisions concerning Stapling, the rights conferred on the holders of the Shares of a class allotted with preferred rights are not to be treated as varied by the allotment of further Shares by the Company ranking equally with them unless the terms of allotment of the earlier allotted Shares expressly provide otherwise.

Trusts over Shares

- 2.8 Except as required by law, no person is to be recognised by the Company as holding a Share on trust.
- 2.9 Except as provided by this document or the law, the Company may recognise only an absolute right to the entirety of a Share in the registered holder and, regardless of it having notice of any other interest or right, the Company is not bound by, or compelled in any way to recognise, any equitable, contingent, future, partial or other right or interest in a Share or unit of a Share.

Entitlement to certificates

- 2.10 Every person whose name is entered as a Member in the Register is entitled without payment to receive a certificate in accordance with the Corporations Act 2001.

Issue of certificates to joint holders

- 2.11 The Company is not bound to issue more than one certificate in respect of a Share or Shares held jointly by several persons. Delivery of a certificate for a Share to one of several joint holders is sufficient delivery to all such holders.

Rights and obligations of joint holders

- 2.12 The Board may from time to time determine the maximum number of joint holders, being not more than 3, whose names may be recorded in the Register. Until a determination is made, the maximum number is 3. The Company may record only the names of the first persons within the maximum number from the application for Shares, transfer document or notice of death and all other names may be disregarded by the Company.
- 2.13 If several persons are jointly entitled to a Share all of the following conditions apply in relation to that joint holding:
- 2.13.1 In the absence of an express direction from those persons to the contrary, the Company may enter the names of those persons as Members in the Register in the order in which their names appear on the application for

Shares or the instrument of transfer or the notice of death or bankruptcy given to the Company to establish those persons' entitlement to the Share.

- 2.13.2 It is a sufficient discharge of any of the Company's obligations to those persons if the Company discharges that obligation in relation to the first named holder of the Share in the Register.
- 2.13.3 Any one of those persons may give effectual receipts for any dividend or return of capital payable to those persons.
- 2.13.4 Those persons are jointly and severally liable to pay all calls, interest and other amounts in respect of the Share.

Substantial holding information

- 2.14 Part 6C.1 of the Corporations Act 2001 applies to the Company and is binding on the Members as if the Company was Listed.

Tracing of beneficial ownership of Shares

- 2.15 The Company has by virtue of this clause all of the powers specified in Part 6C.2 of the Corporations Act 2001 on the basis that the provisions of that Part apply to the Company as if the Company was Listed.

3 Issue of Options

Issue of Options

- 3.1 Options over unissued Shares in the Company may be issued only by the Board. The Board may issue or otherwise dispose of Options to those persons, including Members, Directors or employees of the Company, determined by the Board.

Effect of Stapling

- 3.2 While Stapling applies, no Options may be issued unless there is a contemporaneous and corresponding issue of the same number of options over unissued Units on the basis that the Options (which must be in respect of unissued Ordinary Shares) are to be Stapled to the options over the Units.
- 3.3 While Stapling applies an Option may only be exercised if at the same time as Shares are acquired under the Option the same person contemporaneously acquires on exercise of an option over Units an identical number of Units which are then Stapled to the Shares.
- 3.4 In all other respects the same rules as apply to Shares under this document apply to Shares to be issued on the exercise of an Option.

4 Variation of class rights

Form of consent

- 4.1 If at any time there are different classes of Shares on issue, the rights attached to a class (unless otherwise provided by the terms of issue of the Shares of that class) may, whether or not the Company is being wound up, be varied in either of the following ways:
- 4.1.1 With the consent in writing of the holders of 75% of the Shares of that class.
 - 4.1.2 With the sanction of a special resolution passed at a separate general meeting of the holders of the Shares of the class.
- 4.2 No variation to the class rights of a Share may be made if it would affect Stapling.

Separate general meeting

- 4.3 The provisions of this document relating to general meetings, with all necessary changes required by the context of this clause 3, apply to every separate general meeting except that:
- 4.3.1 Two Members represented in any manner permitted at general meetings who together hold one-third of the issued Shares of the class, or the only Member holding Shares in the class, is a quorum.
 - 4.3.2 Any person qualified to be counted in a quorum may demand a poll.

5 Alteration of capital

Alteration of capital

- 5.1 The Company may do anything in respect of its Share capital permitted by the Corporations Act 2001, including any one or more of the following:
- 5.1.1 If there is in this document a restriction on the number of Shares that may be on issue, increase by a Members' resolution the number of Shares which may be issued by the creation of new Shares.
 - 5.1.2 Convert all or any of its Shares into a larger or smaller number of Shares by a Members' resolution.
 - 5.1.3 Any form of capital reduction or buy back.

Effect of Stapling

- 5.2 While Stapling applies, nothing may be done to alter the Share capital of the Company in the manner specified in clause 5.1 unless the Unit capital of the Trust is altered at the same time, in the same manner and to the same extent or which would directly or indirectly result in a Share no longer being Stapled to a Unit. This means that the things the Company must not do include the following:

- 5.2.1 Any consolidation or subdivision of its share capital unless the Trustee contemporaneously implements a proportional consolidation or subdivision of the Stapled Units.
- 5.2.2 Any reduction in its share capital unless the Trustee contemporaneously implements a proportional redemption of the Stapled Units.
- 5.2.3 Any buy back of any Share capital in itself unless contemporaneously a buy-back or redemption of the applicable Stapled Unit is made by the Trustee.

6 Lien

Money secured by lien

- 6.1 The Company has a first and paramount lien on every Share which is not fully paid and on all dividends payable in respect of that Share for both of the following:
 - 6.1.1 For all money called but unpaid or due but unpaid in respect of that Share.
 - 6.1.2 Where the Share is registered in the name of one Member only, for all money payable to the Company by the Member or, in the case of a deceased Member, by the deceased Member's estate.
- 6.2 The lien extends to reasonable interest and expenses incurred because the amount has not been paid.
- 6.3 The Board may exclude at any time by resolution a Share either wholly or in part from the lien created under this document but only on the basis that, while Stapling applies, the Unit to which the Share is Stapled is excluded at the same time and to the same extent.

Power of sale

- 6.4 The Company may sell, in any manner which the Board thinks fit, any Shares on which the Company has a lien.
- 6.5 While Stapling applies, any such sale must be in respect of the Shares and the Units Stapled to those Shares.
- 6.6 A Share on which the Company has a lien must not be sold unless both of the following are satisfied:
 - 6.6.1 A sum in respect of which the lien exists is presently payable.
 - 6.6.2 A period of 14 days has elapsed after the Company has given to the Member in whose name the Share is registered or the person entitled thereto by reason of the Member's death or bankruptcy a notice in writing of the Company's intention to sell the Share.
- 6.7 The notice must:

- 6.7.1 State the amount, and demand payment, of the part of the amount in respect of which the lien exists as is presently payable.
- 6.7.2 While Stapling applies, include the amount in respect of which the lien exists on the Units Stapled to those Shares as also being presently payable.
- 6.8 The Company may do all things necessary to give effect to the sale of those Shares on which the Company has a lien, including authorise a Director, Secretary or other person to execute a transfer of the Shares sold in favour of the purchaser of the Shares. While Stapling applies, any such sale must also be in respect of the Units Stapled to those Shares.
- 6.9 The Company must register the purchaser of any Shares sold as the holder of the Shares. The purchaser is not bound to see to the application of the purchase money. The title of the purchaser to the Shares is not affected by an irregularity or invalidity in connection with the sale.

Application of proceeds of sale

- 6.10 The proceeds of the sale must be received by the Company and the money remaining after deducting the expenses of sale must be applied in payment of that part of the amount in respect of which the lien exists as is presently payable. The residue, if any, must (subject to any amounts due in respect of Units Stapled to the Shares and to a like lien for sums not presently payable as existed upon the Shares before the sale) be paid to the person entitled to the Shares at the date of the sale.

7 Calls on Shares

Power to make calls

- 7.1 The Board may from time to time in accordance with this document make calls on Members for any money unpaid on the Members' Shares which is not by the conditions of allotment of the Share made payable at fixed times.
- 7.2 The Board may, on the issue of Shares, differentiate between the holders as to the amount of calls to be paid and the times of payment so long as, while Stapling applies, the same differentiation is made in respect of the Units Stapled to those Shares.
- 7.3 The Board may require that a call be paid by instalments.
- 7.4 A call or an instalment of a call may not be made payable at a date less than one month after the date fixed for the payment of the last preceding call or instalment.
- 7.5 The Board may at any time revoke or postpone a call.

Effect of Stapling

- 7.6 While Stapling applies, any call must be in respect of a pro rata amount due in respect of the Units Stapled to those Shares, unless the Board and the Trustee decide otherwise

Time of call

- 7.7 A call is to be treated as made at the time when the resolution of the Board authorising the call is passed.

Liability to pay calls

- 7.8 A Member on whom a call is made in accordance with this document must pay to the Company the amount called on his Shares at the time or times and place specified.

Interest on unpaid calls

- 7.9 If a sum called in respect of a Share is not paid before or on the day appointed for payment, the person from whom the sum is due must pay interest on the sum from the day appointed for payment of the sum called to the time of actual payment at a fair market rate determined by the Board. The Board may waive payment of interest, either wholly or in part, on sums called but unpaid.

Sums payable on allotment or at a fixed date

- 7.10 Any sum which by the terms of issue of a Share becomes payable on allotment or at a fixed date is for the purposes of this document treated as a call duly made and payable on the date on which by the terms of issue the sum becomes payable.
- 7.11 In case of non-payment of a sum payable on allotment or at a fixed date, all the relevant provisions of this document as to payment of interest and expenses, forfeiture, or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

Advances of uncalled amounts

- 7.12 The Board may accept all or part of the money uncalled and unpaid upon any Shares held by a Member which the Member is willing to advance to the Company.
- 7.13 While Stapling applies, any advance must be in respect of a pro rata amount due in respect of the Units Stapled to those Shares, unless the Board and the Trustee decide otherwise.
- 7.14 The Board may authorise the payment of interest on the whole or a part of an advance of any uncalled amount due on Shares until the date the amount would have been payable but for the advance at a rate not exceeding 10% per annum or a rate fixed from time to time by the Company in general meeting.

8 Forfeiture of Shares**Notice of default**

- 8.1 If a Member fails to pay a call or instalment of a call on the day when it is due for payment, the Board may, while any part of the call or instalment remains unpaid, give notice requiring the Member to pay the unpaid call or instalment together with any interest which may have accrued. The notice must do all of the following:
- 8.1.1 Specify a further day (not earlier than 14 days after the date of the notice) on or before which the payment required by the notice is to be made.

- 8.1.2 State that, in the event of non-payment at or before the time appointed, the Shares, and the Units Stapled to those Shares, in respect of which the call was made will be liable to be forfeited.

Forfeiture

- 8.2 If the requirements of a notice relating to forfeiture given under this document are not complied with, any Share in respect of which the notice has been given may be forfeited by a resolution of the Board to that effect at any time before the payment required by the notice has been made.
- 8.3 While Stapling applies, any forfeiture must be on the basis that the Units Stapled to those Shares are also forfeited at the same time and in the same manner.
- 8.4 A forfeiture includes all dividends declared in respect of the forfeited Shares and not actually paid before the forfeiture.
- 8.5 Before a sale or disposition of a forfeited Share the Board may annul the forfeiture on terms determined by the Board.

Sale of forfeited Shares

- 8.6 A forfeited Share becomes the property of the Company and may be sold or otherwise disposed of on the terms and in the manner determined by the Board in accordance with the Corporations Act 2001.
- 8.7 While Stapling applies, any sale must also be in respect of the Units Stapled to those Shares.

Transfer and consideration

- 8.8 The Company may receive the consideration, if any, given for a forfeited Share on any sale or disposition of the Share and may execute a transfer of the Share in favour of the transferee. While Stapling applies, any transfer must also be in respect of the Units Stapled to those Shares.
- 8.9 On execution of the transfer the transferee must be registered as the holder of the Share. The transferee is not bound to see to the application of any money paid as consideration.
- 8.10 The title of the transferee to the Share is not affected by any irregularity or invalidity in connection with the forfeiture, sale, or disposal of the Share.

Liability of former Member

- 8.11 A person whose Shares have been forfeited ceases to be a Member in respect of the forfeited Shares but remains liable to pay to the Company all money that, at the date of forfeiture, was payable by him to the Company in respect of the Shares.
- 8.12 The money which the former Member is liable to pay to the Company and which may be recovered at the discretion of the Board includes both of the following amounts:
- 8.12.1 Interest on the money for the time being unpaid.

8.12.2 The expenses incurred by the Company in respect of the forfeiture and sale of the Shares.

8.13 The liability of a defaulting Member ceases if and when the Company receives payment in full of all the money which the defaulting Member is liable to pay.

Statement of forfeiture

8.14 A statement in writing declaring that the person making the statement is a Director or Secretary, and that a Share has been duly forfeited on a date stated in the statement, may not be objected to by any person claiming to be entitled to the Share.

Non payment of other sums

8.15 The provisions of this document as to forfeiture apply in the case of non-payment of a sum that, by the terms of issue of a Share, becomes payable at a fixed time, as if that sum had been payable by virtue of a call duly made and notified.

9 Transfer of Shares

Form of transfer

9.1 A transfer of Shares must be either in writing in a usual form or in another form approved by the Board.

9.2 A transfer must both show the jurisdiction of incorporation of the Company and be executed by or on behalf of both the transferor and the transferee.

Effect of transfers

9.3 A transferor remains the holder of the Shares transferred until the transfer is registered and the name of the transferee is entered in the Register in respect of the Shares.

Registration procedure

9.4 A transfer of Shares must be left for registration at the Office, or at another place determined by the Board, accompanied by all of the following:

9.4.1 The certificate for the Shares to which it relates.

9.4.2 Evidence that any fee payable on registration of the transfer has been paid.

9.4.3 Evidence reasonably required by the Board to show the right of the transferor to make the transfer.

9.5 The Directors may register the transferee as a Member and retain the document of transfer.

Board power to refuse registration

9.6 The Board may refuse to register a transfer of Shares if either of the following apply:

9.6.1 The Shares are not fully paid.

- 9.6.2 The Company has a lien on the Shares and they are not bound to give their reasons for doing so.

Notification of refusal to register

- 9.7 If the Board refuses to register a transfer of a Share in the Company, the Board must give written notice of the refusal to the person who lodged the transfer within 2 months after the date on which the transfer was lodged with the Company.

Effect of Stapling

- 9.8 While Stapling applies:
- 9.8.1 A transfer of a Share forming part of a Stapled Security will only be accepted as a proper transfer in registrable form if, in addition to the requirements of this clause 9, the transfer is accompanied by a transfer of the Unit to which the Share is Stapled in favour of the same transferee.
- 9.8.2 A transfer of a Share which is not accompanied by a transfer of the Unit to which the Share is Stapled will be taken to authorise the Board as agent for the transferor to effect a transfer of the Unit to which the Share is Stapled to the same transferee.
- 9.8.3 A transfer of any Unit to which a Share is Stapled which is not accompanied by a transfer of the Share will be taken to authorise the Board as agent for the transferor to effect a transfer of the Share to which the Unit is Stapled to the same transferee.
- 9.8.4 Any provision of this document which contemplates the transfer of a Share will be taken to be a reference to the transfer of a Stapled Security unless the contrary intention expressly applies.
- 9.8.5 The same rules as for the transfer of Units and Shares apply to options over Stapled Securities.

10 Transmission of Shares

Transmittee right to register or transfer

- 10.1 Subject to the Bankruptcy Act 1966 and the Corporations Act 2001, if a person entitled to a Share because of a Transmission Event gives the Board the information that they reasonably require to establish the person's entitlement to be registered as the holder of any Shares, that person may do either of the following:
- 10.1.1 Elect to be registered as a Member in respect of those Shares by giving a signed notice in writing to the Company, and on receiving this notice the Company must register the person as the holder of those Shares. While Stapling applies, any registration must be on the basis that the person must also be registered as the holder of the Units Stapled to those Shares at the same time and in the same manner.

- 10.1.2 Transfer those Shares to another person. That transfer is subject to the provisions of this document relating to the transfer of Shares.

Other transmittee rights and obligations

- 10.2 A person who has given to the Board the information referred to in clause 10.1 in respect of a Share is entitled to the same rights to which that person would be entitled if registered as the holder of that Share.
- 10.3 A person registered as a Member as a result of a Transmission Event must indemnify the Company and the Board to the extent of any loss or damage suffered by the Company or the Board as a result of that registration.

Deceased members

- 10.4 If a Member (not being one of several joint registered holders) dies, the Company must recognise only the legal personal representative of that Member as having any title or interest in a Share registered in the name of that Member or any benefits accruing in respect of that Share.
- 10.5 If a Member (being one of several joint registered holders) dies, the Company must recognise only the surviving joint registered holders of that Share as having any title or interest in, or any benefits accruing in respect of, that Share.
- 10.6 Nothing in this document releases the estate of a deceased joint holder from a liability in respect of a Share which had been jointly held by the deceased Member with other persons.
- 10.7 Where 2 or more persons are jointly entitled to any Share as a consequence of the death of the registered holder of that Share, they are taken to be joint holders of that Share.

Effect of Stapling

- 10.8 While Stapling applies, any transfer of a Share consequent upon a transfer or transmission under this clause 10 may only be effected if there is a simultaneous transfer of the Unit to which it is Stapled to the same transferee.

11 Stapled Security Register

- 11.1 While Stapling applies, the Board must cause to be kept and maintained a Stapled Security Register which:
- 11.1.1 May incorporate or form part of the Register.
- 11.1.2 Must record the names of the Members, the number of Shares held, the number of Stapled Units held by the Members to which each Member's Shares are Stapled and any additional information required by the Corporation Act 2001 or determined from time to time by the Board.

12 General meetings

Voting qualification time

- 12.1 The relevant time to determine voting entitlement at a general meeting is the time of commencement of the general meeting. While Stapling applies, any determination as to voting entitlements must be on the basis that the holders of the Units Stapled to those Shares are also treated in the same manner and at the same time.

Convening of meetings by Board

- 12.2 The Board may convene a general meeting at any time.

Convening of meetings by members

- 12.3 The Board must call and arrange to hold a general meeting if required to do so under the Corporations Act 2001.

Directors attendance at general meetings

- 12.4 A Director is entitled to receive notice of and to attend all general meetings and all general meetings of the holders of any class of Shares in the capital of the Company and is entitled to speak at those meetings.

Notice of general meeting

- 12.5 A notice of a general meeting may be given by any form of communication permitted by the Corporations Act 2001. The notice must specify the place, the day and the hour of meeting and if the meeting is to be held in 2 or more places, the technology that will be used to facilitate the meeting, the general nature of the business to be transacted and any other matters as are required by the Corporations Act 2001.
- 12.6 The accidental omission to give notice of a general meeting to, or the non receipt of a notice by, a person entitled to receive notice does not invalidate a resolution passed at the general meeting.

Cancellation of general meetings

- 12.7 The Board may cancel a general meeting, other than a general meeting which they are required to convene and hold under the Corporations Act 2001.
- 12.8 A meeting may only be cancelled in accordance with clause 12.7 if notice of the cancellation is given to all persons entitled to receive notice of the meeting at least 2 business days prior to the time of the meeting as specified in notice of meeting.

Quorum at general meetings

25 Stapling

Stapling

- 25.2 The Board may at any time staple an un-Stapled Ordinary Share to a Unit which is not Stapled.

Issue of Stapled Securities required

- 25.3 While Stapling applies, the Board must not issue Shares unless it is satisfied that each of those Shares will be Stapled to a Unit to form a Stapled Security.

Paramountcy of Stapling

- 25.4 While Stapling applies, no Director or any Member must do any act, matter or thing nor refrain from doing any act, matter or thing if to do so or refrain from doing so (as the case may be) would result directly or indirectly in any Ordinary Share no longer being Stapled as a Stapled Security.
- 25.5 However, nothing in clause 25 prohibits the Board from determining the Unstapling Date.

Unstapling Date

- 25.6 Subject to the Corporations Act 2001 and approval by special resolutions of the Members and the Unit Holders respectively, the Board may determine that the Stapling provisions of this document will cease to apply and that a particular date is to be the Unstapling Date.
- 25.7 On and from the Unstapling Date, each Share ceases to be Stapled to a Unit and the Board must do all things reasonably necessary to procure that each Share is Unstapled.
- 25.8 If the Board determines to Unstaple the Stapled Securities, this does not prevent the Board from (subject to the same resolutions of the Members and members of the Trust) doing the following:
- 25.8.1 Subsequently determining that the Stapling provisions should recommence.
 - 25.8.2 Stapling an Unstapled Share to a Unit which is not Stapled.

- 25.9 While Stapling applies, the consent of the Trustee must be obtained to any amendment to this document which does either of the following:
